Now I'm here, blink-ing in the star-light Now I'm here, sud-den-ly I see

6 ne-ver rea-lly kno-wing things the way they were stand-ing here it's all so clear I'm

11 where I'm meant to go and at last I see the light and it's like the fog has lift-ed and at

17 last I see the light and it's like the sky is new. And it's warm and real and bright and the

23 world has some-how shift-ed all at once, ev'-ry-thing looks dif-ferent now that I see you.
